

CLEAR

ODORLESS DRAIN LINE CONTROL

Description: CLEAR is a ready to use product that is designed to open drains that are slow moving. These drains are normally used to wash, bathe, or shower. This product attacks the key sources of the slow down - HAIR, SOAP SCUM, and SLIME - which become trapped, matted, and tangled causing a continual problem. CLEAR is safe on all types of plumbing, fittings, and packing, and will not disrupt bacterial action in septic systems. CLEAR also has a pleasant citrus fragrance.

Directions: Remove any excess water. While holding container at arm's length, add one capful of CLEAR. Slowly trickle water into drain. Let stand for 60 - 90 seconds. Repeat until drain is free-flowing, then flush well with water. Never position head over drain opening. **DO NOT USE HOT WATER OR OTHER CHEMICALS WITH THIS PRODUCT.** Good safety practices should include the use of rubber gloves, protective clothing, and eye protection when using CLEAR CHEMICAL.

Benefits - Features: RESTORES DRAINS TO FULL FLOW • REMOVES THE STOPPAGE
EASY WAY TO OPEN AIR-CONDITIONING DRAIN LINES
AUTHORIZED BY USDA FOR MEAT AND POULTRY PLANTS
WILL NOT HARM PIPES FITTINGS, OR PACKING
DISSOLVES HAIR • ELIMINATES COLD WATER SLIME
BIODEGRADABLE
