

NU COIL FOAMING COIL CLEANER

Description: A portable, non-acid, foam cleaner that blasts deep into air conditioner, heater, refrigeration and dryer coils to loosen and remove grease, dirt, lint and grime. Contains LIVE Bio-enzymes for continuous cleaning and breakdown of organic coil contaminants. May be flushed off with water or left on fins without rinsing as self rinsing will occur as condensation develops. Helps maintain optimum unit efficiency. Deodorizes as it cleans, leaving the area with a fresh clean scent.

Directions: Shake well. Hold can six inches from coil and spray entire coil from bottom to top of coil.

Benefits-Features: NON-FLAMMABLE SPRAY • NON-ACID
• NO CFC'S • BIODEGRADES RAPIDLY • NON-HAZARDOUS • NON-RINSE • CLINGING FOAM
• BIOENZYMATIC ACTION
