

DRAIN EATERS

FOAMING DRAIN CLEANER & ODOR ELIMINATOR

Description: The non-pathogenic bacteria in this product produces enzymes for the degradation of fats, oils, greases and food by-products, all while reducing odors and organic material. The solution forms a thick, rich foam that expands into areas. Comes with a 24" tube to apply deep into drains and pipes. Contains no acid or caustics and is non-polluting. Using after treatment with drain openers can prevent future clogging and residual odors.

Directions: Attach the tube to the spray nozzle. Direct tube down drain or disposal and spray until foam is visible. Allow ample time for product to penetrate and break down build up. Re-apply product periodically to maintain and keep the drain pipe and disposal clean and odor free.
