

HUSKY 890

VETERINARY DISINFECTANT

Description: A concentrated, quaternary ammonium, disinfectant cleaner that disinfects, cleans and deodorizes and is ideal for use in veterinary facilities due to its extensive list of animal virucidal claims. Specialty disinfectant claims include Canine Parvovirus (at 4 oz. per gallon of water) and Canine Distemper Virus. EPA-registered as a Broad Spectrum Disinfectant cleaning product. Cleans and disinfects in one step.

Directions: Dilute product with 1 ounce of HUSKY 890 per gallon of water. Using a mop, sponge, cloth, hand-pump trigger sprayer or low pressure coarse sprayer, wet all surfaces thoroughly. Allow surfaces to remain wet for 10 minutes, then wipe away excess liquid. Refer to label for detailed instructions.
