

# HI-P QUICK DRY

## Contact Cleaner

**Description:** A quick drying, non conductive, solvent cleaner and degreaser. Penetrates through and removes grease, oil, tar, dirt, wax and other industrial soils from machines, tools, parts and electrical equipment without disassembly. Evaporates fast and clean without leaving any residue. Contains no chlorinated solvents and no CFCs.

**Directions:** Please read entire label before using this product. Shut off all power supply - be sure all stored power is drained from system and allow hot surfaces to cool before using this product. Tilt surface and spray until clean. Use an intermittent spray to dislodge trapped particles and allow excess cleaner to run off. Use extension tube for pinpoint delivery or hard-to-reach areas. Allow product to dry completely and thoroughly vent system before restoring power.

**Benefits-Features:** QUICK DRYING • RESIDUE-FREE • PLASTIC SAFE • HIGH PURITY • ELECTRICAL GRADE

**Advantages:** NON CONDUCTIVE • CLEANS WITHOUT DISASSEMBLY • CONTAINS NO CHLORINATED SOLVENTS • CONTAINS NO CFCs

**Where to Use:** METAL • PAINTED SURFACES • MOST PLASTICS • MACHINERY • EQUIPMENT • CONTACTS • SWITCHES • CIRCUITS • PRINTED CIRCUIT BOARDS

**Recommended For:** INDUSTRIAL PLANTS • CONSTRUCTION AND MAINTENANCE CREWS • AUTO SHOPS • FACTORIES
